

Shift to Safety

LEADER

“I want my team to provide safe care.”

➡ SHIFT to Safety

gives me the

tools & resources

I need to promote a culture of patient safety.

At **SHIFTtoSafety.com** I will find:

Resources

to help me build high-performing healthcare teams.

Tips

to inspire a patient safety mentality and culture.

Opportunities

for team learning that include working through patient safety incidents.

As a leader I can play an important role in helping to create lasting, positive safety behaviours in my organization.

SHIFTtoSafety.com

is my source for patient safety.
