

TeamSTEPPS Canada™ Fundamentals Course: Module 7

Evidence Base: Putting it all Together

TeamSTEPPS® is a teamwork system developed jointly by the Department of Defense (DoD) and the Agency for Healthcare Research and Quality (AHRQ) to improve institutional collaboration and communication relating to patient safety. TeamSTEPPS Canada™ has been adopted and adapted by the Canadian Patient Safety Institute (CPSI) and made available to the Canadian healthcare field.

Additional Resources

DoD Patient Safety Program TeamSTEPPS Information: Provides a brief overview of TeamSTEPPS, including a brief video and an interactive TeamSTEPPS Model of Change diagram.
