

PATIENTS FOR PATIENTS POUR LA
PATIENT SAFETY SÉCURITÉ DES PATIENTS
CANADA DU CANADA

EVERY patient should experience safe care

November 22, 2018

Theresa Malloy Miller

Moderator

Member, Patients for Patient Safety Canada

Objectives

- Expand our understanding of how care is experienced by patients with diverse needs.
- Participate in a discussion to consider solutions toward helping EVERY PATIENT experience safe care
- Leave the session with at least one practical idea for engaging patients in improving safety.

- **Speakers:**
 - Rob Sleath, Patient Partner, Canadian National Institute for the Blind
 - Bernie Weinstein, Patient Partner, Patients for Patient Safety Canada
 - Samaria Nancy Cardinal, Patient Partner, Patients for Patient Safety Canada
- **Special guests:**
 - Lui Greco, National Manager of Advocacy at Canadian National Institute for the Blind
 - Esha Ray-Chaudhuri, Patient Partner, Patients for Patient Safety Canada
 - Thilak Tennekone, Diversity Consultant, Public Service Commission PEI
