<tbody>
<tr>
<td>☐ Provide a quiet space for family</td>
<td>☐ Provide a quiet space</td>
</tr>
<tr>
<td>☐ Ensure patient/family have adequate support (social work, pastoral care, friends)</td>
<td>☐ Consider the needs of the Staff and Medical Staff (e.g. Relieve the Staff and Medical Staff from his/her immediate Patient care responsibilities)</td>
</tr>
<tr>
<td>☐</td>
<td>☐ Access crisis intervention support (Employee &amp; Family Assistance Program)</td>
</tr>
</tbody>
</table>

☐ Notify the Most Responsible Health Practitioner (if applicable) and Accountable Leader (within 24 hours)

 Most Responsible Practitioner Name ___________________________ Date/Time __________ / __________
 Accountable Leader Name ___________________________ Date/Time __________ / __________

☐ Disclosure process initiated and event documented
  - Disclosure conversations:
    - With ___________________________ By ___________________________ Date/Time __________ / __________

☐ Support the clinicians and administrators in reviewing and planning the immediate disclosure.
  - Submit a report of the event in the AHS Reporting and Learning System (RLS) for Patient Safety
  - Ensure documentation of the “Clinically Serious Adverse Event” in the Patient’s Health Record occurs.
    - Observations noted on the Patient Health Record will include the “facts” (including times) of the event, Patient assessments, treatment provided, response to treatment and all communication notifying others of the event, e.g., physician and manager notification.
    - Ensure that the Staff and Medical Staff directly involved is provided the appropriate environment to document the facts accurately and within a timely manner.
